## Technology Needs

We distributed our first set of devices last week. Our second day is Wednesday April 8th. If you need a device and haven't received an invite to a pick up day, then be sure to update your technology survey to indicate you need a device so we know to invite you. This survey must be completed by students. If you already submitted a survey and you stated you had a computer or internet, but now find that you need a device, re-submit the survey with your response being NO you don't have access to a device. This will let us know you need an invite. Scan this QR Code to submit the survey
